Projected projects for 2005:

Due to the poor condition of West McMillan and Wren road, that is the town boards first responsibility for road work in 2005, Also the river edge subdivision needs to be blacktopped and Guard rails need to be put up at the intersection of Ives and Wren. We also need to look at the back lot because it is getting soft and needs a good base to start.

The Tire drop off day is going to be May 7th at the race track. Our lot is now blacktopped and we don't want to ruin it.

We are in our 4th year with ONYX for recycling. We are part of the Northwest recycling board including Rock, Richfield Cameron town of Marshfield Town of McMillan. If any one needs a Red card or blue bins call Wayne.

The fire department is applying for a Grant this year to receive a new fire truck; if they get it would be 370,000, with the township only needing to give 85,000.

In September of 2004 a town board member asked to have the town look into a possible Police department for Lincoln.

Dean Berres a wood county police deputy spoke on what would happen to the town. The cost would be a large impact that we don't need. With his 23 years of experience in law enforcement he believes that we have adequate coverage through the county of wood. Bob Burr also spoke up to say that the wood county police department is almost always on scene before our own fire department. Motion by Daryl Sternweis to not have a Police department seconded by Frank Veitcher. Motion Carried
