4. Purchase power washer for use by Fire Dept and Highway Dept.; \$2,000

5. Dick Thomer explained the Prevailing Wage Law Changes as of Jan. 1 2010 that will be in effect for all future contracted work over \$25,000. Wage rates are required for any project of public works erected, constructed, repaired, remodeled, demolished for a local governmental unit. It does not apply to minor projects lasting 5 yrs or less. The Board will be monitoring our projects to make sure all the requirements are being followed.

6. Local Levy and our cash balance ♦ At this time the local levy cannot be determined. This process is done in the fall.

7. Report on new used truck \$10,300 ♦ Andy Gingerich has completed painting the new truck box and the safety lights need to be installed. The Old Truck and box will be put up for bids. We are asking \$2,000 ♦ the ad will be on the web site.

8. Garbage Pickup ♦ everything seems to be going smoothly. No one had any questions or complaints.

9. House # ♦s ♦ The remainder of the Township will be getting their numbers this summer. The numbers have been ordered.

10. Playground ♦ The playground/park has been completed and a fence will be installed for safety purposes blocking out the septic holding tanks and salt/sand pile.

11. Recycling ♦ There are no issues here. Dick Thomer has bin available when needed.

12. Fire Dept Report- is there anything they would like to report? There was no report to give ♦ all is going well. The burning ban is still in effect.

13. New voting machine ♦ precinct counter ♦ Training was taken by the clerk and Chief Election Inspectors. The DS200 Counter worked well for us at the April Spring Election.

The Board of Review will be held May 27, 2010 from 7:00 ♦9:00 pm. Open book will be held from 5:00 ♦ 7:00 pm the same day.

Tire Recycling will be held at Marshfield Motor Speedway on May 1, 2010.
